Trial Classes: We offer trial classes for \$15.00 a class with a limit of one per child per discipline. Please schedule in advance.

Safety: No food will be allowed in the gym areas or dance studios. For children's safety, children cannot wear shoes or socks in any of the gyms. Ensure your child's personal items are marked with their name. There is a lost and found tub in the hallway area. EPCFA is not responsible for lost or stolen items. For all PreK classes, students must be independent in class. EPCFA is not certified to teach special needs children.

Sickness Policy: Please be considerate of other families and instructors and **do not** bring your children when they are sick. Strong cough, pink eye, staying home from school due to virus/illness, green mucus nose, etc. are all examples of when not to bring your children to class.

Parent Responsibility: We ask that children arrive 5 minutes prior to their class start time. This insures EPCFA classes to begin on time without class interruptions. Toddler age children will wait in the observation area for their instructor to pick them up and take them to class. Please encourage younger children to use the restrooms prior to class, so they are not disrupting or losing valuable class time using the bathrooms. School age children will wait in the locker room for their instructor to pick them up and take them to class. Each class begins with stretching and warm-ups. This is a very important part of our classes, to assure that your child's body is properly warmed-up to prevent injury. Please allow our instructors to instruct the class and your child. There is a progressive curriculum and skills for each level of class. It is important for the child to keep their focus on the class and their instructors. After your child is called into class, parents are more than welcome to stay and watch on the TV monitors in our observation areas. Toddler age children will be released to their parents in the observation area and must leave with a guardian or parent. School age children will be picked up in the locker room by their parent or guardian.

Waiver/Liability Forms: All participants' parents/guardians must sign a consent form, or your child/children cannot participate in any class activities.

Make-up Policy: Make-up classes must be scheduled in advance and can be made-up in other classes and disciplines. All missed classes must be made up by the last day of year-round sign up registration. Make-up classes will not be carried over to next year's registration. Please call, email, or schedule at the front desk 24 hours in advance to reserve class time and date.

Behavior: There is a strict 3 Point Discipline Policy that will be enforced when a teacher/instructor encounters inappropriate behavior problems with a child in class. The teacher will first attempt to resolve the problem with the child. If this fails, the parent/guardian will be consulted.

- **1st offense-**Verbal Warning- The Instructor will speak with the child about the inappropriate behavior in class and the specific rules they must follow. Parent/Guardian will be advised at the end of the class of the behavior.
- **2nd offense-**Written Warning- If a child continues to misbehave in the class, the teacher/instructor will seat the child away from the activity. Parent/Guardian will be notified by the General Manager of inappropriate behavior and a written warning will be put in their file.
- **3rd offense-** The General Manager will notify parent/guardian that the child will be removed from the program and will not be eligible to return.
- **Note:** Any child whose behavior endangers the safety of themselves, or others will immediately be removed from the program.

Weather Policy: In the event of inclement weather, **please call 610- 967- 5437**, or check for a posting on WFMZ-TV, **EPCFA** website, Facebook, or Instagram. We will provide a make-up class for any class that is cancelled due to weather or circumstances beyond our control. Please refer to make-up policies.
